

Christ is Our Life

Christ, our source of life
You're the meaning of it all
In You we exist and thrive
For You're the pulse behind it all

Your Spirit that dwells in us
Offers peace and joy to all

Christ, our source of life
You're the meaning of it all
In You we exist and thrive
For You're the pulse behind it all

Church incense makes it heavenly
It's indeed our spiritual ark
The Bible gives salvation guidance
Its teachings give life some spark

Our Lord is Captain Great
He's the path to eternity's gate!
